Dear Ms. Vanstrom:

This project was deemed consistent with the Niagara River Greenway Plan as determined by the Niagara River Greenway Commission. The subjective evaluation has been based on the principals, goals and criteria that define the Niagara River Greenway Plan. I have attached the Commission's comments and questions as well as public comments received on the project submitted during the deliberation timeframe for your use. The Commission is pleased to support the Friends of the Edward M. Cotter's project proposal and wish you great success.
